You'll be Blown Away

Bringing **Reliability** back to

Dash Fans

Edington Agencies is bringing **Quality and Reliability** back to Vehicle Dash Fans

We're pleased to announce the relaunch of the original, high quality **Von Weise** 24 Volt & 12 Volt dash fan. **Von Weise** dash fans are manufactured for reliability and suit a wide variety of applications.

Examples of vehicles that will benefit from the installation of a dash fan include:

- **Buses & Cars**
- **Campers & Motor Homes**
- **Emergency Vehicles**
- **Agricultural Vehicles**
- **Construction Vehicles**

The dash fans feature an external toggle switch to allow two-speeds manual control, and a ball joint swivel base for easy adjustment. The fans mount directly on to the dashboard.

Model	Height	Depth	Guard Dia.	Volts	Speeds	RPM	CFM	Amps
S-FP103	8.5"	5"	7.5"	12	2	3200/1800	176/101	2.0
S-FP106	8.5"	5"	7.5"	24	2	3200/1800	176/101	2.0

* 10 % discount on pre-ordered fans. Offer runs from 1/9/2009-30/09/2009. Delivery September 2009. Code must be quoted when ordering.
